

TUITION AND FEES

2017-2018

www.grts.org

APPLICATION FEE:

All programs require a non refundable application fee at the time of enrollment. Upon enrollment, this amount is applied toward first semester tuition. EMT and Paramedics require \$100 application fee. All other programs require \$50 application fee.

ACCIDENT INSURANCE:

All programs require a \$15.00 accident insurance fee for post-secondary students.

TUITION:	1 st Semester	2 nd Semester
Diesel Services Technology	\$ 3085.00	\$ 2950.00
~ Advanced Diesel Technology	2950.00	2950.00
Auto Service Technology	2950.00	2950.00
Auto Collision Technology	2950.00	2950.00
Building Trades	2950.00	2950.00
Child Care Services	2950.00	2950.00
Computer Network Technology	2950.00	2950.00
~ Computer Network Administration	2950.00	2950.00
EMT-Basic	650.00	650.00
EMT-Paramedics	2950.00	2950.00
Automation & Electrical Technology	2950.00	2950.00
Industrial Welding	2950.00	2950.00
~ Advanced Welding Technology	2950.00	2950.00

These charges are due the first week of each semester unless proof of acceptance for financial aid is on file before the start of classes.

This chart reflects current tuition and all general fees charged and is subject to change after annual review by the Board of Education and/or book publisher prices.

OTHER CHARGES:

Students will be responsible for any additional course-related charges such as books, supplies, testing fees, etc. depending upon specific classes/programs. See current schedule on next page.

With 90% attendance in your GRTS program, and a grade of "C" or above, you can earn FREE college credit by completing certain programs at Grand River Technical School. Ask us about it!

(2/10/2017)

Individual Course-Related Charges

Diesel Equipment Technology

MHT-Med/Heavy Vehicle ebook & audio book	\$ 150.00
Technology Fee	50.00
TOTAL CHARGES	\$ 200.00

** Tool Set Required – See attached list approx. \$2,200.00

Automation & Electrical Technology

Basic Electrical Theory Text	\$ 50.00
Basic Hydraulics Lab Manual	95.00
Industrial Motor Controls Text	132.00
Industrial Motor Controls Workbook	35.00
Troubleshooting Electrical/Electronic Systems Text	90.00
Troubleshooting Electrical/Electronic Systems Wkb	35.00
Electrical Code Book	110.00
TOTAL CHARGES	\$ 547.00

Computer/Networking Technology

PC Pro A + Text and Lab Simulations	\$ 125.00
PC Pro Network + Text and Lab Simulations	125.00
A+ Certification Test Fees	188.00
Network + Certification Test Fees	145.00
Tool Kit/Supplies	50.00
TOTAL CHARGES	\$ 633.00

Computer/Network Administration (2nd year)

PC Pro Microsoft Text & Lab Simulations	\$ 125.00
Microsoft 70-698 Certification Test Fee	165.00
PC Pro Cisco Text & Lab Simulations	125.00
Cisco Certification Test – 1	150.00
Cisco Certification Test – 2	150.00
Microsoft 70-697 Certification Test	165.00
Tool Kit	50.00
TOTAL CHARGES	\$ 930.00

Building Trades

Building Trades required tool package \$ 200.00 approx.
(see attached list)

DIESEL TECHNOLOGY REQUIRED TOOL LIST

1. Drive tools
 - 3/8 drive ratchet
 - 1/2 drive ratchet
 - 3/8 drive extensions- 3,6,9 inch
 - 1/2 drive extensions- 3,6,9 inch
 - 1/2 drive break over bar
 - 3/8 drive universal joint
2. Sockets
 - 3/8 drive 1/4-7/8 inch shallow chrome 6 or 12 point
 - 3/8 drive 8-19mm shallow chrome 6 or 12 point
 - 1/2 drive 3/8-1/1/4 inch shallow chrome 6 or 12 point
3. Wrenches
 - 5/16-1/1/4 combination wrenches 6 or 12 point
 - 8-19mm combination wrenches 6 or 12 point
4. Screwdrivers
 - Phillips screwdrivers #1-#4
 - Straight blade screwdrivers 1/4,5/16,3/8,7/16 blade width
 - Stubby Phillips and straight blade screwdriver
5. Pliers
 - Standard pliers
 - Ignition slip joint pliers
 - Large slip joint pliers
 - Locking pliers (vise grips)
 - Needle nose pliers
 - Electrical terminal pliers
 - Side cutter pliers
6. Miscellaneous
 - Gasket scrapper
 - Standard hex key set
 - Standard feeler gauge set
 - Metric hex key set
 - O-ring pick set
 - Air blow gun
 - 16 oz ball peen hammer
7. Tool chest
 - Rolling bottom tool chest

Estimated Total Cost \$ 1,700.00 to \$2500.00

BUILDING TRADES TOOL LIST

Appropriate work clothes and shoes (steel toed boots recommended)
Nail pouch or apron
10-22oz. 16" long hammer
Measuring tape 25' or 30'
Speed square
Utility knife (retractable blade)
Chalk line
Nail set 1/16" tip
Nail puller (cat claw)
Pliers
Carpenter pencils
#2 Phillips & Standard Screwdrivers
Wood chisel

Safety glasses and all other tools will be provided by the school.

Estimated total tool package cost \$200.00
