STUDENT RIGHT TO KNOW AND CAMPUS SECURITY POLICY

Public Law 101-542 requires that, beginning August 1, 1991, Grand River Technical School provide you with information regarding numbers and types of crimes that have taken place on our campus. Also required are policies regarding procedures and facilities for reporting criminal actions or other emergencies occurring on campus. The act also requires that effective July of 1994, the school provide you with completion rates for students attending this school commencing with those enrolling after July 1, 1991. Also to be included is the school's policy regarding drug and alcohol as required by the Drug Free Schools Act. This policy is available upon request from the Student Services offices, Grand River Technical School, 1200 Fair Street, Chillicothe, MO 64601 or online at www.grts.org/disclosure_CampusSecurity.pdf.

GRTS Campus presently consists of the facility located at 1200 Fair Street, Chillicothe, MO and Diapers 'n Diplomas located at 1303 Bryan Street and the Litton Center, located at 10856 Liv 235. For purposes of this policy, any acts occurring in the building, grounds, or school-owned parking lots will be considered as occurring on campus. GRTS employs no Campus Police/Security personnel; therefore, all staff employed and assigned to the building will act in that capacity. Any student who observes or is involved in a criminal act should report such occurrences to any GRTS staff member. School staff will refer such incidences as deemed appropriate to local law enforcement agencies. In keeping with regulations, the school will gather and annually publish statistics concerning occurrences on campus of crimes in the following categories: Murder, sexual violence, rape, robbery, aggravated assault, burglary and motor vehicle theft.

The school will also collect and report statistics concerning the number of arrests for the following crimes on campus: liquor law violations; drug abuse violations; weapons possessions, domestic violence offenses, dating and stalking offenses. This policy along with the Student Alcohol and Drug Abuse Policy is published in the student handbook, which is distributed to each enrolled student at the beginning of the school year.
